

MISSION STATEMENT

1. To provide outstanding customer service.

All our employees at F Brazil Reinforcements are trained to be professional, helpful at all times to maintain high standards of customer satisfaction in all that we provide relating to products, services, reliability and cost effectiveness.

2. Building and maintaining relationships

Our Local community, suppliers and customers will experience an approach that includes honesty, professionalism and integrity with a personal service from all aspects of our business. This will gain trust and long term relationships to benefit all concerned and maintain continued success and improvements.

3. A work place that promotes loyalty and pride in individual and team contribution in employment.

F Brazil Reinforcements Ltd will give respect and gratitude to its employees for their contributions and hard work. The company encourages personal growth through appropriate training and development opportunities.

Management will provide a friendly hands on approach that encourages employees to share new ideas for development therefore creating a feeling of worth and appreciation within the business.

4. Rewarding Success.

Employees will be given recognition for accomplishment and respect from others by means of improved position wherever possible and financial reward is practical. Hard work and success from its employees is the key to the ongoing success of the business.

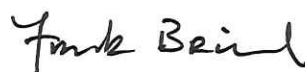

5. Achieving profit to allow ongoing business growth, accompanied by employee and operation success.

To provide and ongoing cycle that benefits customers, suppliers and company employees alike.
